

Integrated fundraising and financial management

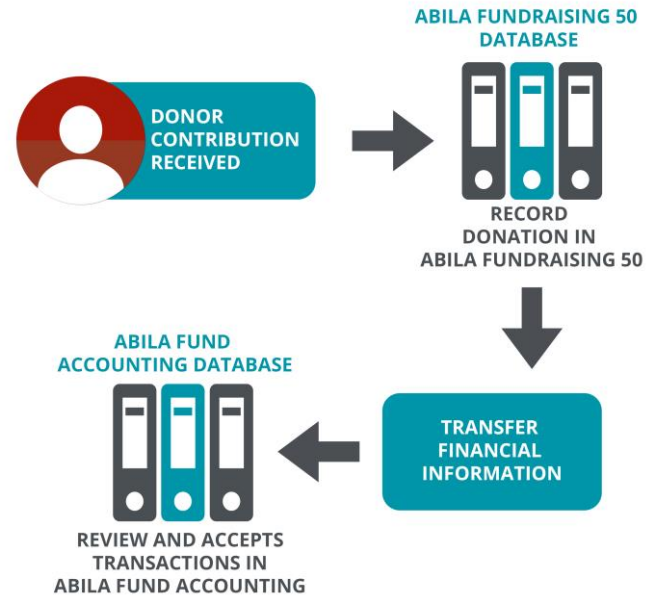

Internal relationships help achieve higher fundraising goals

Help your finance and development departments move forward together and deliver on your mission.

Abila MIP Fund Accounting and Abila Fundraising 50 are solutions designed to speak to one another in a way that makes it easy to track your dollars from the moment they come in the door.

The integration of these solutions are designed to simplify fundraising management and allow for:

- Improved accountability with organization wide transparency and data consistency
- The reduction of duplicate data entry
- Effective allocation of resources with increased fund visibility
- Elimination of time consuming import and export processes

An integrated financial management and fundraising solution can increase campaign impact, giving you more time to focus on your cause and deliver on your mission
